Infini Cosmetic Associates is the leader of liposuction in the Valley. As one of the only local medical practices devoted to liposuction, Dr. William Hall utilizes his more than 18 years of experience providing safe and effective cosmetic procedures tailored to each patient's needs. He strives to stay on the cutting-edge and up to date on the latest technology and trends. Trained by the inventor of tumescent liposuction, Dr. Jeffery Klein, Dr. Hall uses a specific technique that provides a distinct advantage for his patients. This technique allows patients to stay awake during procedures, therefore reducing downtime tremendously and creating visually, yet natural-looking results.
